

Rajan R. Hiranandani

CANDIDATE — PRESIDENT · PRESIDENT BALLOT ONLY

“I will and I can”

Dear Fellow Members,

Today, I write to you with a great sense of commitment to seek your support for the post of President of The Cricket Club of India. I have been a member of this great institution for 47 years.

I walked in as a young man, never imagining that one day I would ask for the privilege of leading it. Sixteen years on the Executive Committee — eight of them as your Treasurer, from 2016 to 2024, and Vice President in 2024–25 — have taught me one thing above all: this Club does not belong to any one person or any one committee. It belongs to all of us.

AN OPEN CLUB

An open club is a healthy club. I want more member voices in how this Club is run — and any change of that kind worked towards openly and put to members, never imposed.

DELIVERED AT CCI

- ♦ **Treasurer for eight years.** As Vice Chairman of the Investment Committee the Club’s corpus grew steadily, standing at about ₹955 crores at cost when I handed over — with checks, balances and the full audit process insisted on throughout.
- ♦ **Clean audit reports, year after year** — credit shared with the Committees, the Administration, and the Finance and Accounts teams.
- ♦ **Vice Chairman of the Legal and CSR Committees.**
- ♦ **An Advocate by profession,** founding partner of Rajan Hiranandani & Associates — which is why I trust structures over good intentions.

WHAT I WILL DO NEXT

- ♦ **A united Executive Committee.** A President’s first job is to hold the Committee together — one team in one direction, so decisions get made and then get done.
- ♦ **Regular Open Houses.** Once every quarter, without fail — and what members ask reported back to them at the next one.
- ♦ **Term limits, put to your vote.** No one, including me, should hold office indefinitely. Already the rule for President and Treasurer since August 2024 — I will put it to a members’ vote for the whole Committee.
- ♦ **A long-term Master Plan** for every Club facility, including car parking — put to a members’ vote before anything is commissioned.
- ♦ **Sport at the heart of the Club** — facilities well maintained, accessible coaching, tournaments for younger members, padel and pickleball.
- ♦ **Our standing outside the gates** — the best of relations with the BCCI, and with State and local government.

I am not asking you to trust me on grand promises, but on how you have already seen me work — quietly, carefully, and putting this Club before myself. With all humility, I ask for your vote for President.

Warm regards,
Rajan R. Hiranandani
